#### 610 Clarendon Street, Oldsmar

We think about all State Street Homes as if we are going to live in them. That includes design, construction techniques, materials and all the selections we make for each home. Many of the features and selections we include in our homes would be upgrades, if availableat all, from other builders. Therefore our homes are worth tens of thousands of dollars more than other homes you may be looking at. We realize our homes are not for everyone. However we encourage you to carefully compare our homes for value before making a decision. We created a checklist to assist in this process.

<sup>\*</sup> The approximate value is an estimation of the amount a builder might charge for the item as an option. Other buildersmay or may not include the items as standard or offer them as options. The price different builders will charge will vary. Some items, such as architecture are difficult to put a dollar figure on. This information is provided as illustration only. State Street Homes III LLC is not responsible for any errors. For windows, use a value of approximately \$300 per non-impact 36 window, and \$1,000 for 36 impact (cost, no markup), for the additional number of windows included when comparing.
